

Quick Start Guide

Getting to know your Cricket Vision

Phone setup

1. Remove the back cover.

2. Hold the SIM card with metal contacts facing downward and the cut corner at the lower left. Slide the card into the SIM slot.

3. If applicable, hold the microSD card (sold separately) with metal contacts facing downward and the cut corner at the upper left. Slide the card into the microSD slot.

4. Replace the cover on the back of the phone; making sure it is lined up before pressing it into place around all of the edges.

Warning!

To avoid damage to the phone, only use the SIM included in the box or provided to you by Cricket.

Touch screen

Navigating your phone

- Use your fingertip to lightly touch the screen.
- Use quick flicks of your finger to swipe up, down, left or right on the touch screen.
- To return to the previous screen, tap the **Back key**.
- Tap the **Home key** at any time to return to the main home screen.
- Tap the **Recent Apps key** to access recently viewed apps.
- Tap **Apps** to access applications on your phone.

Notification panel

Access app alerts, new messages and emails, software updates and more!

- Tap and drag your finger from the top of the screen downward to see the Notifications panel.
- Swipe right or left to clear individual notifications or tap **CLEAR ALL** to clear all.
- With the Notifications panel open, tap the top of the screen again and drag down to expand the quick settings menu.
- Tap **Settings** to access the Settings menu.

Personalize

Set wallpaper

- To change your home or lock screen wallpaper, press and hold a blank part of the home screen and top **WALLPAPERS**.
- Select a wallpaper and tap **Set wallpaper**. Then, in the menu that pops up, select an option to set the wallpaper for your Home screen, Lock screen or both. You can also tap **Camera** to select an image from your gallery.

Add to home screen

- To add app shortcuts, tap **Apps**. Press and hold the desired app and drag it to the home screen.
- To add widgets, press and hold a blank part of the screen and tap **WIDGETS**. Press and hold the desired widget and drag it to the home screen.

Organize home screens

- To move a widget or app shortcut press and hold it, and then drag it to a new location. To delete, drag it to the **X Remove**.
- Press and hold an app shortcut, drag it on top of another, then release, to create a folder.
- To rename a folder, tap the folder title and type a new name.

Calls and voicemail

Make a call

- From the home screen, tap **Call**.
- Type a name or phone number, or select one of the following options:
 - Manually enter a phone number.
 - Choose from frequently called or favorite contacts.
 - Choose from a list of people who you have called or have recently called you.
 - Make a call from your contact list.

Check voicemail

- From the home screen, tap **Call** then tap **voicemail**.
- Press and hold the **1 key**.

Call waiting

Call waiting lets you answer a second call while you are on an existing call. While on a call, you will hear a tone if another call comes in. Slide **Call** to the right to answer.

- Tap the **incoming phone number** or **On Hold** to switch between active calls.
- Tap **merge** to merge calls.
- Tap **end** to end a conference call.

HD Voice

HD Voice means clearer conversations with reduced background noise when both participants are using HD Voice compatible phones and the call is made over Cricket's LTE network or a compatible network*.

*Cricket's LTE coverage is not equivalent to its overall network coverage. HD Voice calls made on a compatible device on Cricket's LTE network may not experience an HD Voice connection during times of network congestion. Other carriers' networks may interoperate with Cricket's LTE network to support an HD voice call.

Text and picture messaging

Send a text message

- From the home screen, tap **Messaging**.
- Tap **New Message** to start a new text message.
- In the **To** field, enter a number or a contact name, or tap **Contacts** to access your contacts.
- Tap the **Send message** field and enter your message.
- Tap **Send** to send the message.

Send a picture message

- Follow steps 1-4 above.
- Tap **+** to attach a file.
- Tap **Pictures** and select directed picture or tap **Capture picture** to take a picture to attach.
- Tap **Send** to send the message.

Email

Email setup (Gmail™, Yahoo!®, etc.)

- From the home screen, tap **Apps** > **Gmail**.
- Select an Account type.
- Confirm email account settings and tap **NEXT**.
- Name the account, enter your name, which will be displayed on outgoing emails, and then tap **FINISH**.

Note: To set up corporate email, contact your IT administrator.

Create and send an email message

- From the home screen, tap **Apps** > **Gmail**.
- To compose a new message, tap **Compose**.
- Tap the **To** field and enter the email address or name or tap **Contacts** to access your contact list.
- Enter a subject and email message.
- To attach files to your email, tap the **Paperclip** and make your selection.
- Tap **Send** to send the email.

Cricket Apps & Services

These services make using Cricket even better and easier.

- My Cricket:** Check account balance, make a quick payment, view usage and access support from the palm of your hand.
- Cricket Voicemail:** Quickly view, access and play back your voicemail messages. Easily save important numbers to your Favorites list and respond to messages by calling back or texting.

Useful Features

- Flashlight:** Use your phone's flashlight to see where you're going or to find something in the dark.
- Battery Saving Mode:** Active applications, screen brightness levels, Bluetooth, Wi-Fi usage, and GPS functionality can drain your battery. Use the Battery saver feature in Settings to extend your battery life.
- Data Saver:** To help reduce data usage, Data Saver can prevent some apps from sending or receiving data in the background. While using an app it can still access data, but may do so less frequently.

Apps on Google Play™

You can install apps from Google Play Store.

Access Google Play

- From the home screen, tap **Play Store**.
- Enter your existing Google account or create one following the steps on the screen.

Navigate Google Play

- From the Play Store, there are multiple ways to find apps, games, and more.
- Tap a category to browse popular apps, games, movies, and music organized by popularity or genre.
 - Tap **Search** to search the Play Store for a specific game or app.
 - To install, tap the app and follow the instructions. Once installed, you will see a notification appear in the Notifications panel. Open the app from this notification or by locating it in your Apps.

Camera and video

Take a picture

- From the home screen, tap **Camera**.
- Tap **+** to select different modes.
- Tap **Settings** to display camera settings.
- Zoom in and out by pinching with your fingers.
- Tap the **Shutter button** or press either of the **Volume keys** to take a photo.

Make a video

- In camera mode, tap **VIDEO** and then tap **Start recording** to begin. Tap **Stop recording** to end recording.

View pictures

- From the home screen, tap **Apps**.
- Tap **Photos**.

Send a picture

- In **Photos**, tap a picture and then tap **Share**.
- Choose to send via text messaging, email, or more.

Note: A Google Wallet™ payment method is required to purchase apps.

Note: Please don't text and drive.
