

Microsoft Lumia 640

Features & specifications

Device highlights

- Large 5" Clearblack HD display for better visibility in sunlight
- Corning® Gorilla® Glass 3 for added protection
- 4G LTE connection
- The latest Windows experience with Windows Phone 8.1
- Quad-core processing for a faster, smoother user experience
- Loaded with premium services: Cortana¹, HERE Drive+, HERE Maps, Microsoft Office and 30 GB² of free OneDrive storage
- Three (3) rows of Live Tiles on your Start screen that update in real time

Multimedia & data

- 4G LTE connectivity gives you fast, reliable performance to use your phone exactly how you want
- Enjoy free* and unlimited music streaming with MixRadio
- Download the latest apps and games available in the Windows Phone Store
- Extend your gaming experience with Xbox Live

Voice & audio

- Meet Cortana – your proactive personal assistant. Using voice or text, ask Cortana to screen calls, keep track of your interests, give you reminders, get you to places on time and more
- Built-in Skype lets you bring your ideas face to face, wherever you are in the world. Switch from active mobile calls to video calls at a touch of a button, without disruption

Camera & video

- Get great pictures with the rear 8 MP auto focus camera with LED flash. Make them even better with Rich Capture, Moment Capture and Living Images options
- Take selfies and make Skype calls with the 0.9 MP HD front-facing camera with a wide angle lens
- Capture 1080p video with the main camera at 30 fps

Tools & organizers

- Take your office anywhere with Microsoft Office built-in and free.* Edit projects on the go – start a PowerPoint on your PC, edit it from your phone and finish it on your laptop
- OneDrive storage lets you securely backup files, pictures and videos to the cloud and share them from any device
- Personalize your phone with Live Tiles by pinning your favorite apps, people, photos and more right to your start screen to make it your own
- Sense Tools to help you better manage your data usage, storage space and battery life
- Word Flow keyboard corrects and predicts words and, with shapewriting, eliminates the need to tap individual letters – just glide your finger over the keys
- Action Center makes it easy to quickly change key phone settings and view notifications for things like new emails and messages

Cricket services

- With My Cricket you can access billing, make quick payments, view usage and access support
- Cricket Wi-Fi® automatically connects to free and open Wi-Fi hot spots, helping you to maximize data usage and enhance coverage

Accessories included

- Charger
- Data Cable
