- Easy Mode

Multimedia & data

- Whether you're scrolling through photos or watching family videos, you'll get a bright, full picture on the vibrant 5.5" HD display.
- Mobile Hotspot and Tethering to share your phone's data connection with a computer or other compatible wireless device.¹
- Live support is just a tap away with Samsung+.²
- With Samsung Cloud you can back up, sync and restore your data, so everything is as you left it.
- With Samsung Secure Folders, only you can access the private pictures, notes, and apps on your phone.

Voice & audio

- HD Voice capable for crystal clear conversations.³
- Google Voice search.
- Voice recorder so you never lose a thought.

Camera & video

- Capture and share the moment easily and clearly with the 8 MP main camera with an LED flash.
- While camera is active, swipe left for quick access to photo filters.
- With the camera open, swipe right for quick access to camera modes.
- To quick launch the camera, quickly double press the home key — available even when the display is off.
- Record video and capture photos simultaneously with a tap of a button.

Tools & organizers

- With 16 GB⁴ of built-in memory, you can store more than 4,000 photos⁵ directly on your device
- Expand your memory up to an additional 256 GB with a microSD card⁶ to save even more of your favorite photos and videos.
- Easy Mode — Featuring fewer and larger icons, the simplified layout of Easy Mode lets you get to your favorite apps quickly.
- Browse the web with Google Chrome™ wherever you are and save your favorite sites with bookmarks.
- Get both your personal and work email using the simple email setup wizard.
- Exchange instant messages with Google Hangouts™.
- One-handed operation options so even a large phone is simple to use.
- Have all the information you need to navigate your day with Google Now.
- Get there on time with Google Maps™ and its voice-directed navigation assistance.
- Create notes seamlessly by using the keyboard or by handwriting. S Note and Memo data can be imported using your Samsung account or Smart Switch.

Cricket services

- Preloaded with My Cricket, Cricket Wi-Fi Manager, Cricket Visual Voicemail, and Deezer from Cricket

Accessories included

¹Cricket Wireless service required. Additional charges may apply. ²Samsung+ app is available via Galaxy Essentials. ³To experience Cricket HD Voice, both callers must have a compatible HD Voice capable smartphone and make the call over Cricket's LTE Network or a compatible network. Cricket's LTE coverage is not equivalent to its overall network coverage. HD Voice calls made on a compatible device and on the LTE network may not experience an HD Voice connection at times of network congestion. Other carriers' networks may interoperate with Cricket's LTE network to support an HD Voice call. ⁴Portion of memory occupied by existing content. ⁵Based on 2 MP per picture. ⁶Memory card sold separately. © 2017 Samsung Electronics America, Inc.
