For more information, visit www.cricketwireless.com/support/devices, call Customer Care at 1-855-246-2461 or dial 611 from your mobile phone.

* Results are based on lab environment testing. Refer to your network carrier's website for network-specific talk times. Battery power consumption depends on factors such as network configuration, signal strength, operating temperature, features selected, vibrate mode, backlight settings, browser use, and data and other application-usage patterns.
