\*Additional charges may apply.

### Voice & audio

- HD Voice capable for crystal clear conversations\*
- Create fun voice-memo ringtones with the sound recorder
- Listen to your favorite tunes or playlists with the Music app, or tune in with FM Radio

\*To experience Cricket HD Voice, both callers must have a compatible HD Voice-capable smartphone and make the call over Cricket's LTE network or a compatible network. Cricket's LTE coverage is not equivalent to its overall network coverage. HD Voice calls made on a compatible device and on the LTE network may not experience an HD Voice connection at times of network congestion. Other carriers' networks may interoperate with Cricket's LTE network to support an HD Voice call.

### Camera & video

- 5 MP rear-facing camera with 4x zoom and LED flash
- 2 MP front-facing camera with 4x zoom for video chats
- Dual-direction Panorama mode captures the view vertically or horizontally
- Enhanced camera features include multi-exposure, interval shot, photo filters, HDR, time-lapse video, and more
- Manual option for precise camera control
- Selfie shortcut provides access to the front-facing camera quickly and easily

### Tools & organizers

- Google Keep™ app allows you to quickly capture what's on your mind and get a reminder later at the right place or time
- AskMD® app is a personalized health consultation that helps identify what's bothering you
- Back up data, game progress, and more with ZTE's Backup & Restore app
- Access both your personal and work email using the simple email setup wizard
- Get there on time with Google Maps™ and its voice-directed navigation assistance
