¹Requires compatible plan for Cricket 5G access. 5G may not be available in your area. For 5G coverage, visit www.cricketwireless.com/map.html. Learn more about 5G access www.cricketwireless.com/what-is-5g.html. ²See <https://www.cricketwireless.com/support/orders-and-activations/warranty.html> for additional details. ³To experience Cricket HD Voice, both callers must have a compatible HD Voice capable smartphone and make the call over Cricket's LTE Network or a compatible network. Cricket's LTE coverage is not equivalent to its overall network coverage. HD Voice calls made on a compatible device and on the LTE network may not experience an HD Voice connection at times of network congestion. Other carriers' networks may interoperate with Cricket's LTE network to support an HD Voice call. ⁴The Google Assistant is not available in certain languages and countries. Where not available the Google Assistant is replaced by Google Search. Check availability at <https://support.google.com/assistant>.
