- Music Library - organized by song, album, artist, genre, stations, and playlist
- LG 3D Sound Engine - is an object based audio standard that adds height and depth to the output and makes sound move around

Camera & video

- Burst Shot[4] - hold the shutter button to take multiple shots quickly
- Panorama - captures images with horizontally elongated fields of view
- Film Effect -filter effects to give photos a classic look
- Auto Shot[5] - face detection automatically takes a selfie
- Gesture Shot[5] - take selfies with a simple hand gesture
- Selfie Light[5] - screen illuminates around the photo preview for well-lit selfies
- Beauty Shot[5] - adjustable setting softens facial features
- Pause and Resume Recording - temporarily pause a recording and pick up the scene later
- Live Shot - take still shots while recording video
- Self-Timer - take a picture or video up to 10 seconds after you press the shutter or record button
- Portrait Mode - bokeh effect blurs the background while keeping the subject in focus
- Time Lapse Control – automatically or manually adjust speed during capture
- Macro Mode - capture details and close-ups without zooming in.

Tools & organizers

- QuickMemo®+ - take notes with the ability to choose paper style, pen size, and color, add text with a PC-like tool bar, and more
- QSlide® - overlay up to two windows with adjustable sizing and transparency
- Capture+ - write or draw on nearly any screen and schedule memos to appear at certain times or locations
- Battery Saver - restrict apps in the background to save power
- Clip Tray® - copy multiple items and paste in a clipboard at the bottom of the screen, creating a collection of information to save or send
- Ringtone ID - unique ringtone created for each caller based on phone numbers
- Notification LED - light that indicates different information when the screen is off
- Fingerprint ID - unlock the device using your fingerprint instead of a passcode
- Digital Wellbeing - when you need time to focus, pause distracting apps and notifications
- Google Assistant Key - find answers and get things done on-the-go with one press of a button
- Accelerometer - control games by turning and tilting[3]
- Smart Cleaning -optimize phone storage and test hardware for improved performance
- NFC – share contacts, web pages, and more
