¹ Maximum usable storage up to 24.59 GB. ² Only available on certain interactions with the touch screen. ³ Wired headphones or speakers required. ⁴ To experience Cricket HD Voice, both callers must have a compatible HD Voice capable smartphone and make the call over Cricket's LTE Network or a compatible network. Cricket's LTE coverage is not equivalent to its overall network coverage. HD Voice calls made on a compatible device and on the LTE network may not experience an HD Voice connection at times of network congestion. Other carriers' networks may interoperate with Cricket's LTE network to support an HD Voice call. The use of Wi-Fi calling in some countries may be restricted. ⁵ Available only on front-facing camera. ⁶ Available only on rear-facing camera or camcorder. ⁷ USB OTG Cable required (sold separately). ⁸ Memory cards sold separately. ⁹ Actual battery time may vary depending on network connectivity and application use.
