

Microsoft Lumia 650

Features & specifications

Device highlights

- The latest Windows experience with Windows 10
- Sleek and stylish premium design with metal finishes
- Loaded with premium services: Microsoft Office, Cortana¹, Microsoft OneDrive cloud storage
- Customizable Start screen – pin apps, people, web pages and more and arrange them however you like – with Live tiles that update in real time
- Large 5" ClearBlack HD display for better visibility in sunlight
- Corning® Gorilla® Glass 3 for added protection
- Quad-core processing for a faster, smoother experience

Multimedia & data

- 4G LTE connectivity gives you fast, reliable performance to use your phone exactly how you want.
- Enjoy ad-free streaming music with Deezer.
- Download the latest apps and games available in the Windows Store.
- Extend your gaming experience with Xbox Live.
- Get free online, offline maps with voice-guided turn-by-turn navigation, real-time traffic updates and more².

Voice & audio

- Meet Cortana – your proactive personal assistant that now works across all your Windows 10 devices. Using voice or text, ask Cortana to screen calls, keep track of your interests, give you reminders, get you to places on time and more.
- Built-in Skype lets you bring your ideas face to face, wherever you are in the world. Switch from active mobile calls to video calls at the touch of a button, without disruption.

Camera & video

- Get great pictures with the rear 8 MP auto focus camera with LED flash and 2X zoom. Make them even better with Rich Capture and Living Images options.
- Take selfies and make Skype calls with the 5 MP HD front-facing camera with a wide angle lens.
- Capture 720p HD video with the main camera at 30 fps.

Tools & organizers

- Take your office anywhere with Microsoft Office built-in and free.* Edit projects on the go – start a PowerPoint on your PC, edit it from your phone and finish it on your laptop.
- OneDrive storage lets you securely backup files, pictures and videos to the cloud and share them from any device.
- Stay productive with onboard tools like Calendar, Calculator, Clock, Alarm Clock, Reminders, Voice Dictation in edit fields, To-Do list, OneNote and more.
- The People tile integrates your phonebook contacts across phone, email and social networks.
- Settings tools help you better manage your data usage, storage space and battery life.
- Word Flow keyboard corrects and predicts words so you type less. Shapewriting eliminates the need to tap individual letters – just glide your finger over the keys.
- Action Center makes it easy to quickly change key phone settings and view notifications for things like new emails and messages.

Cricket services

- With **My Cricket**, you can access billing, make quick payments, view usage and access support.
- **Deezer** lets you listen on-the-go with ad-free streaming music, download your favorites to your phone, and get customized playlists based on your preferences.*

Accessories included

- Charger

For more information, visit www.cricketwireless.com/support/devices, call Customer Care at 1-855-246-2461, or dial 611 from your Cricket mobile phone.

*Data charges may apply.

¹You need a Microsoft account to use Cortana. This feature is not available in all languages. For info on the supported languages, go to www.windowsphone.com

²Downloading of maps over-the-air may involve transferring large amounts of data. Your service provider may charge for the data transmission. The availability of products, services and features may vary by region. Check with Cricket or Microsoft for further details and language options. These specifications are subject to change without notice.

³Volume thickness.

⁴Size and weight may vary slightly due to manufacturing variations.

⁵Pre-installed system software and apps may use a significant amount of storage; less internal storage will be available to users.

⁶Talk, standby times are based on operator 4G network and are estimates only. Actual times are affected by, for example, network conditions, device settings, features being used, battery condition and temperature.

⁷Battery has limited recharge cycles and battery capacity reduces over time. Eventually the battery may need to be replaced.
